

APRIL

IS THE TIME FOR THE

Olde Bull & Bush at Aunty Molly's

Imagine yourself in London, wandering down the Old Kent Road and, as you pass one of England's finest and most frequented establishments, the good old Pommie Pub, sounds of fun and frivolity exude from inside. Your curiosity takes you inside this bubbling establishment and you are transported back in time about 50 years, to an era when this same sound would have been heard on every street corner. Why not join us on our sentimental journey to the old dart in April or September 2005 for our most popular theme – our Pommie Pub Days “The Olde Bull & Bush”

How's this for a great traditional menu?

*Hearty English Cream of Vegetable Soup and Crusty Bread
Good old fashioned Pommie Roast Beef (with fresh baked vegetables)
Apple Pie and custard – Unlimited Tea and coffee*

..... and remember it's **BYO** alcohol

Tel: (02) 4970 5105
